

William MacGregor Primary School Weekly Newsletter

Week ending 17th February 2022

News...

Thank you for your continued support this half term. Children have continued to make some great progress and the majority of school life is retuning to normality. After half term we will resume face to face assemblies each week and hopefully be able to invite you back into school. School trips are resuming so please look out for these. Huge congratulations to Miss Cumiskey who is finally getting married this Saturday – her third time lucky with COVID cancellations. We wish her and her family all the best. This week we have counted and banked the amazing charitable donations that you have sent in. You may remember before Christmas we participated in a Christmas raffle and had prizes donated by McDonalds. The children bought many tickets and we raised a total of £220.60 which will go towards to the Ronald McDonald House Charity. We also raised an impressive £179 on our Dress to Impress day last week. This money will be used to resource our regulation stations in our classrooms and further enhance the provision in our Emotion Hub. The work completed by the children has made me so proud as it reflects the knowledge and awareness of their own and each other's emotions and how to validate these and respond to them appropriately. These skills are invaluable as they mature into their teenage and adult years. Please can I remind parents and carers who travel to school by car, not to 'drop off' on the yellow zigzag lines. These lines are there to keep our children safe. Many thanks. Have a lovely weekend.

Fundraising – School lottery fortnightly update

Congratulations to Miss D Lane who won £11.40 last week. We have raised £1795.60 so far. We have a new area we are fund raising for now and this is the area to the side of the trim trail. We would like to put artificial grass here and develop a calm area where the children can relax.
