## News...

The **Yr6 children** were brilliant this week completing their SATs with a very positive attitude and trying their best.

The next two weeks the Year 2 children will be taking their SATs – we know they will try their very best.

**Bikeability** was a huge success this week with the Year 3 and Year 4 children. I know the children who took part will be more aware of how to ride their bikes safely. It would be wonderful if these children want to ride their bikes to school wearing their safety helmets.

Next week we are celebrating **Health Week** – Mrs McNerlin has sent out all information about this on DoJo. It is great that The Lamb (Tamworth Football Club) has allowed parents to park in their car park and then take the short walk up the Glascote Road to school. I am looking forward to seeing less cars on Basin Lane 😊

As you know, the Queen is approaching her **Platinum Jubilee** in June. We will be celebrating this momentous event in school on Friday 27<sup>th</sup> May. During the week, each class will focus their learning on a decade during the Queen's reign. On Friday, we will be holding an event on the school field in the afternoon where children will present their learning and enjoy a tea party with their class and family members (weather depending). Celebrations will start at 1.40pm. Look on our website calendar and DoJo for more details.

## Fundraising – School lottery fortnightly update

Congratulations to Ms N Jones who won £10.20 last week and very kindly donated this amount back to the school Thank you.

We have raised £1973.20 so far. We have a new area we are fund raising for now and this is the area to the side of the trim trail. We would like to put artificial grass here and develop a calm area where the children can relax. See some of our ideas below

Next week is health week so in our assembly we will discuss healthy choices. Please take the time to discuss this together at home.
