

WILLIAM MACGREGOR'S NEWSLETTER

Year 6 trip had a fabulous experience on Monday where they visited the **National Justice Museum in Nottingham**. The children took part in a real life court scene where they all took on different roles and acted out a case. Later on they toured the Victorian courts and jails and learnt what life was like for prisoners hundreds of years ago. The children had a great time, were impeccably behaved and learnt lots.

A reminder that the school bell goes at **8.40am** for the start of the school day. The gate is then closed. If you arrive at school after this then you will come through the front office. Please only use this entrance if your child is late and not as their normal entrance. Children must be signed in via the Inventory system if they are late and will receive a late mark. Children begin learning as soon as they walk in so any continued lateness will have an effect on their progress. Please come and see me if arriving at school on time is something that you are struggling with and need support.

Please remember we have Foodbank vouchers to give out.

Have a lovely weekend!

SCHOOL LOTTERY

Congratulations to Ms L Jones who won £5.40 last week.

We have raised £2836.00 so far.

We have a new area we are fundraising for now and this is the area to the side of the trim trail. This will be an area dedicated to reflection, one that reaches our senses and provides an area of calmness and sanctuary.

Why is high attendance important for your child's education?

As a parent/carer you want the best life chances for your child/children. Being in school every day gives them the very best chance of achieving this. GCSE'S may seem a long way off for your child but 90% of children with average attendance at primary school and into secondary school of around 85% fail to achieve 5 or more GCSEs and one third of children fail to gain any.

Poor attendance in school will limit children's ability to achieve their full potential and this will impact opportunities in life.
