News...

Well it has been a week full of **fabulous experiences for our Yr6 and Yr5 children**. The Yr6 children have had a wonderful week in France/Paris and are on their way home today ready for lots of sleep this weekend and the Yr5 children have enjoyed an amazing 2 days in London exploring the sites, the Super Bloom commemorating the Queen's Platinum Jubilee and watching the musical Six. They are also on their way back this evening. I know all the staff have said the children have been wonderful and a credit to you as parents and William MacGregor. Please see page ? for captures from these residential trips. I want to thank Miss Marsh and Miss Sutton for taking the Yr6 children to France and Mrs Jones, Miss Sheward, Mr Neiland and Mrs Paton for taking the Yr5 children to London. Also a huge thank you to Mrs Fitzpatrick who has spent hours of hard work organising these two residential trips.

It was wonderful to welcome some of our **new Ladybirds** children into school yesterday – it is an exciting time for them as they transition into their first school. I am sure they will be more than ready for September once their transition activities are complete.

This morning the Year 3 children played their brass instruments at a musical concert at the Coton Centre alongside other primary school children from Tamworth. This was a great occasion to come together with children their own age to perform in front of an audience. They did themselves and us very proud!

Birthday celebrations!

Fundraising – School lottery fortnightly update

Congratulations to Mr A Fellows who won £9.30 last week and has kindly donated this back to school. Thank you.

We have raised £2035.20 so far.

We have a new area we are fund raising for now and this is the area to the side of the trim trail.

We would like to put artificial grass here and develop a calm area where the children can relax.

Next week's assembly topic:

Does sport have a part to play in making the world a fairer place?

In the news this week

FIFA (International Federation of Association Football) has announced three female referees will officiate at the men's World Cup tournament for the first time ever later this year in Qatar. Stephanie Frappart of France, Rwanda's Salima Mukansanga and Yoshimi Yamashita from Japan have been selected as part of FIFA's official list of 36 referees for the tournament, which starts on 21st November.

Things to talk about at home ...

- > Have you ever played or watched a football game? How important do you think the role of the referee is?
- > What skills do you think a good referee needs to have?
- > Were you surprised to hear that this is the first men's World Cup to have female referees?

Please note any interesting thoughts or comments
